“ Dearest Annie and Sherman,
We were so very sorry for the lose of your beautiful daughter. Ron Simmons called us while we were out of state on a trip. We have been babysitting our granddaughter in Bothell Wa. We just got home Sat. at 2. We sure wanted to be with you folks at this sad time to lend our support, prayers and love.
Growing up as kids we would never believe what waits for us in life. Reading the emails from SusyJo's friends it sounds like her short life here was full of love, happiness, adventures and memories. She has left you too soon but try to let the memory of her love comfort you at this time.
God closes a door but will open a window to let all her love come back to you over and over again.
God bless you both, your families and SusyJo until you are together again. Take care of each other and we pray for you all. Love Joanne and Larry Umipig###imported-begin###Joanne and Larry Umipig###imported-end##
