“ *I'll never forget all those times as kids when we use to play on the swing set and sit out under the big tree and just have fun spending time as a family. I love you Grandma forever and always. Please give mom and Grandpa a big hug and kiss for me until we can all be together again some day.*

“ *My heart is so heavy with sadness. I have so many amazing memories growing up with my beautiful Aunt Sylvia. Her laughter was contagious. I can still hear it. I was lucky enough to call her my Aunt. I had no doubt in my mind how much she loved me. Aunt Sylvia I know you can hear me when I say, I love you and it was a privilege to call you my Aunt. I loved coming out to see you and see what you were working on and I loved your basket collection. I still have the four you purchased for me. I will cherish them even more now.*

*I loved calling you monthly just to hear your voice. I will miss those calls. Say hi to Grandpa, Grandma, Veron and Mom for me. Heaven just got a lot louder. I can just hear you and mom laughing together. And I can hear you telling me to stop the silly crying because you are happy and I shouldn't be upset.*

*If you decide to take the time to stop by and say hi, I would love that a lot.*

*Love you forever,*

*Your Niece Sheri Riehl*

“ Aunt Sylvia I will never forget the times spent at your home with mom and dad. The coffee pot you gave me from your early married days still sits in my kitchen. Love you always Shawn
