October 9, 1939 - May 7, 2022

Ted L. Ross October 9, 1939-May 7, 2022

Ted passed away on Saturday, May 7, 2022 at Cottage in the Meadow after a short battle with heart failure. Ted worked for the Toppenish School District for 30 years, retiring in 1990. He loved hunting, fishing, trapping and yard sales. He and Debbie spent lots of time checking out yard sales, finding the best places to get great deals.

Ted is survived by his son Gary Ross, his sisters, Debbie Disney and Dixie Ross. He is also survived by many nieces and nephews that meant so much to him. He always enjoyed taking the young ones fishing either at the local ponds or Drano.

He is preceded in death by his parents Bump and Mid Ross, his brother, Ken Ross and his infant brothers, Thomas, Gerry, Billy and Robert Ross.

He always kept in mind Jehovah's promise that the time is coming that we will see each other again here in an earthly paradise.

The family will have a gathering on Friday, May 13, 2022 at 951 Elmore Road in Zillah at 2:00 PM for friends and family to share memories.

“ Ted Ross was a kind and gentle man. He came to the pharmacy to pick up prescriptions for his family. It was an errand that pleased him. Doing for his family was important. :) Sometimes Ted would enter in light conversation concerning politics, family or school business. He always said what he truly believed in. Right or wrong . One would know what Ted thought. One would just have to listen. And, learn!!!! Other times Ted would talk about his coin collection. He was trying to get a roll of new quarters that identified different states, then later... state parks. He truly liked this hobby. Often I would set aside the new quarters. And when Ted came in to pick up prescriptions, I would give him change that included these special quarters. He was so thrilled. It was fun to watch his delighted expression. Those quarters were to become family inheritance some day... maybe in time worth more than their current value. Prayers and blessings,

“ Thank you for being the best of friends to my father and myself.  
I will always carry the memories of hunting and fishing with you and Ken, and even a few times with Bump.  
I pray that will all be together again at the time of the resurrection,  
It has been a privilege to have known you for most of my life.  
I will miss our coffee times together.  
In your case, I can always say: one may not like what I say, but they always know where I stand.  
Rest in Peace my friend, and May God Bless!
