“ This is indeed a great loss I heard about today. Blessings and strength to Alta, Theo and family and friends. I'm sorry I was not able to attend the service and I thank you for this chance to share. I am feeling the spirit of Ted and always will. I smile when I think of him. From day one of meeting Ted over 30 years ago, and working with him at CRITFC, and his subsequent business ventures, he remains to me a thoughtful, distinguished, eloquent, respectful, respected, compassionate and wise elder with a sense of humor and love of family and loyalty to protecting treaty rights and resources and traditional ways. I am forever grateful to him. He gave me opportunities at critical times in my professional life and I still give him credit for helping me be where I am today, and I'm glad I told him that. I learned so much from him, his actions and words, and how he spoke, his view of the earthly and spirit worlds, and his success at navigating politics and human relations at all levels. He was also the only person I knew who ate Monte Carlo sandwiches. A genuine gentleman with commanding character and charisma. So authentic! Such great hair! Back in the CRITFC days, when Ted went to D.C. to fight for the environment, he told me a member of the US Congress fondly nicknamed him, “Mr. Hairdo.” Perfect. Ted loved it! He was loved and respected by so many and leaves us with a legacy of amazing accomplishments. It was a privilege to know and work with him and I will always remember Ted with fondness and eternal gratitude.

Thank you, Ted!!
