“ *Lord, wrap your arms around our sister, and give her a good journey, as her suffering ends here. We know she has earned her angel wings and travels to a better place. We know the ones who have traveled before her are gathered and waiting to greet her, so she will not be alone. We know we must lead a good walk ourselves, so we can meet again. Take care of the Husband, children, grandchildren, sisters, nieces, nephews, & many friends who have been left behind. This young sister will be missed by many. God bless each of you and take care of yourself. Gina Jerry & Family*
