“ I always remember Tom as a quiet, gentle person. Ready to help if needed. Top Hi Class member of 1962. I was in his class through the 8th grade. I then went back the following year and was still in close contact with him as he was an "upper classman."

“ Tommy Tucker, I am heart broken by the news of you passing. I will never forget you. You made me smile when I should of been sad, and you loved me when it seemed like no one else did. I will forever keep you in my heart and always cherish the long talks we would have. You always encouraged me to to better, and you were so happy when you heard I was doing my best for myself, and being the mother you always knew I would be to my kids. I love you and Greta with my whole heart!!!! I appreciate you both more then you will ever know!!! Rest Easy Tommy Tucker❤️🙏 My condolences go out to your family..
