“ *This was so sudden, I wish I would have known he was in the hospital. When I spoke to him last he said he was doing fine. I really will miss Tom. I have many fun memories of him, Renita and I growing up at Grandma's. The dippity do and jumping on Grandma's bed. He is probably visiting with her now..My mom is not doing well-she is at home. I am proud of Tom's children; taking care of everything. Take care, Will keep everyone in prayer. Kim, Koral and Kyle###imported-begin###Kim Smartlowit###imported-end###*

“ *I am very sorry for the loss of Tom. He was a great person with a very big heart. He opened his home to my family and me without hesitation and was a true friend. This world needs more people like him and I will truly miss him even though I didn't know him long. Words cannot fully express how sorry I am to lose a friend and family member like him.###imported-begin###Valerie Onessimo###imported-end###*

“ Dear Fred & Cynthia,

We are so sorry to hear of Thomas's death. Very grateful for the times we did share and the laughter he brought to all. No more will his lil pony go down the road from the valley to Nespelem. May the Great Creator give you strength in the days ahead. It's the memories that will carry us thru. Our Prayers are with each of you and his children.

Sincerely,
