“ Rest in Eternal Peace to Mr. Sampson. Have a quick and fast journey.

Tim did a lot of good things in his life. Family and children were important to him, good values.

Tim left many tracks behind, hope they will give others hope and do some of these things.

Finish high school. Military. Travel. College education.

It seemed he was always lonely. So whoever he was missing, they now remeet. Parents, siblings, lifetime friends.

But he always shared a smile and nodded his head. Polite and was a friend to many.

So we come to say latter, until latter.

You tell your father, your brother, your uncle, your friend to rest easy, his job is over. He has earned his wings and he is set free.

Fly high.

God blesses to all.
