“ Sincere Condolences & Prayers for his family and multitudes of friends. I will never forget your kind, silly humor, and friendship. I am sad to know I don't have my lil friend around to give all those Dairy Queen Sundae Coupons to so he can take his mom, family or friends for sundaes. Tommy you always asked me to collect at least 4-6 so you could go for ice cream especially on your birthday. R.I.P. my lil friend you will never be forgotten, may you fly high and soar with the Eagles where the roses never fade.

“ I'm gonna miss your crazy laugh so much.. when you'd laugh so hard you'd make me laugh uncontrollably to lol sometimes didn't even know what you were giggling about but it just made me so happy seeing you happy. When I'd be in a upset mood and you'd make me smile without me even realizing it then you'd say "See I made you smile, your not sad anymore" ❤️ whenever I needed a laugh Id ask you to do your MC Hammer dance 😎😂 theres alot of songs that will always remind me of you.

Really gonna miss cooking for you or you always coming over just to visit or to watch the games with us and bbq. Or when we'd invite you over for dinner or birthday dinners. You'd always be the one to say a prayer before we all ate. You always knew when I was feeling down.. always knew when I needed a prayer so you'd make me put out my hands or hold yours and you prayed for not just me but us all. Those moments were so special to me..

I'm glad I got to talk to you over the phone before you went into surgery, both of us trying our best to stay strong and not cry. Told you to rest up and heal fast so that you can come back and I could take you out to lunch or dinner this weekend with us. Thank you for being apart of my journey my friend.. I love you and gonna miss you so damn much. Praying for you and your family. Til we meet again

“ We pray for a safe journey for our special friend,nephew, brother, son. Pick the prettiest pony, ride hard, never look back.
This young man shared so much with us. His smile, his laughter, his words, his jokes, his prayers. I do not think I ever complained. He was always worried about his mother.
But we can learn so much from him. We will miss him. He never walked, he had his brisk fast stride. Always told him be safe, be careful, dangerous on the roads.
Today i ask prayers for Siater Sylvia, siblings, and his many friends. There was no strangers for him, it was a friend he never met yet!
Big empty void, so check on them.
I used to tell him thats my favorite color! He would smile and say mine too! Will always think of him, as I love purple too.
Yes, we will our friend. We loved you so much Tommy, be safe, be happy, grab Creators hand as He leads you home!
Prayers & love,
Aunty Gina Jerry & Family

“ No doubt this is a great loss shared by many people. I have know this man since he was a little guy, as his Uncle Atwai Leroy was one of my good hunting and fishing partners and his mom and dad my friends. He came to refer to me as “Uncle” even though our blood relationship wasn't that close, but I really didn't mind that one bit and called him “Neph” whenever we'd cross paths. Tommy was always smiling and willing to sit and talk and would invariably bring a smile to my face. He is soon to enter the place we all aspire to be and will be an easy one to raise up with our prayers and songs. Go with God, Tommy.

My dear Neph, Going to miss Tommy, with his always smile, our visits, our prayers, mostly our laughs. He brought the bedt out of us!

Today we rejoice and than God for sharing this loved, respected, and cherished this young man. You have a fast and safe journey. Pick the prettiest pony, ride hard, never look back.

Keep the mother Sylvia, the siblings, family, and many many friends in your prayers. Big void in their lives. Keep them safe, strong, and bless them.

We know Tommy earned his wings, sharing his young life with us. His going to a good place, n longer sickness, troubles, or worries.

Tommy asked for prayer for his Mom. Would say lets pray for boh of you. He would smile and say ok! He was not ashamed for prayers!

Today pray for his Mom, been so much, our special Nana.

Yes, going to miss you my special little friend. Be happy and keep that bezutiful smile shining.

Prayers and love always,

'Aunty' Gina Jerry & Family
