“ *I am so saddened to hear about Toni's passing. Even though it has been over 30 years since I have seen Toni, I am sorry to hear this news.*

I remember Toni as a fun, smart and tough lady who never let anyone try to get the edge on her. She stood up for people she believed in while we were at White Swan High School. She was nice to me, even when others were not.

She is remembered with kindness and love. I wish her family well. I worked with Delores at Jeld-Wen, I hope she is doing okay, I know losing a child is hard.

Peace and love to all who knew Toni and miss her. Please contact me, let me know how you are if we grew up together, worked together. I used to be Laurie Mann, Laurie Kanzleiter...I am now Laurie Sison
