“ *My sincere condolences to Victor's family. I met Victor when he worked for the Green Giant Cannery in Dayton, WA. He was a hard worker and was always ready to lend a hand. Once he got to know you, he liked to tell stories and play jokes on you (the impish grin always gave him away!).##imported-begin##Bonnie Mayer##imported-end##*

“ *Linda I am so sorry to hear about your loss. I didn't get to know Victor very well when he worked at the Yakama Nation Head Start although I know he was a quiet gentleman.
