“ *From the family of Juanita (Raul +) Constante: We were very sad to hear of Viola passing. We remember Viola as a child very quiet but with a smile on her face. Tio Sonne and Tia Jesusa would visit our home in Woodburn Oregon when our families were very young. Although, later as time went by, we did not see each other in person but our families were always in contact by phone. Tio Sonne and Hilda and Jr and Juan our thoughts and prayers are with you as your family goes through this sorrowful time. May you find comfort in God's love during this time. Death does not separate us from those we love but deepens. A love fuller that is greater by God's own love. May God bless you all.*

“ Tio Juan and cousin Cynthia; I am very sorry to learn of tia Viola's passing. Our thoughts and prayers are with you in this trying time. I'll always remember her as a sweet and caring woman, as I have memories of her since I was a young girl; she always had a smile on her face for us when we'd go over.

I am lost for words... Again, I am very sorry for your loss.
