“ *Surely there is a special place in hell for someone who did the things she did to her grandchildren!*

“ *When I think of Aunt Virginia, I think of the time I spent on the farm with her, Uncle Kenny and their big, wonderful family, when I was just ten. It was a fantastic time for this city boy, who got to know such abundance and love, thanks mainly due to the matriarch of such a great bunch. Though my time there was short, it was memorable. Love from such a great woman, my Aunt Virginia, will manifest itself in many, many ways, for eternity, I'm sure. We are all fortunate to have known such a spirit. On the day she passed from this world, I felt a sense of peace and joy from her, as I'm sure she is feeling, now that she is relieved of her pains. I do believe that Kenny was there to greet her, as she made the transition from this world to the next, as made possible by our loving creator. May peace and love be with you, Virginia, Kenny and family, forever; and thank you all.##imported-begin##Richard Iyall##imported-end##*

“ I have fond memories of Aunt Virginia and her family---As a kid, I remember Mom, Dad and a few of us Paradis kids going on Sunday drives in the old Plymouth station wagon and occasionally stopping in to visit Aunt Virginia and Uncle Kenny. It was fun to be "out in the country" as we grew up in the city. I have many memories of her and her family at our annual 4th of July picnics also! Peace be with her family, Love, Nancy##imported-begin##Nancy (Paradis) Hert##imported-end##

“ I have many wonderful memories of time spent with Aunt Virginia. I think of her as I work on a jigsaw puzzle, and as I enjoy the flowers of Spring, I think of her lovely garden. Her home was filled with laughter, love, and good cooking.

*She will be missed.
