“ *Bobbie, Children, Grandchildren, Doris, and Velma; My prayers are with each of you today. I pray you will each be blessed with the strength and endurance for the days ahead, and that each of you will be strong. Although it is a sad day for us left behind, rest assured that this fine hardworking man is going to secure his reward, and prepare heaven for when you all meet again. His gentle smile that was shared, and his good humor and fine words will be missed. We got acquainted with him from the old working crew at MAFF, today he joins HSJ, BD, & SR, all part of the main crew. Have a safe and happy journey my brother. God Bless.
