“ My condolences and prayers to the whole Moses family, we were very close growing up. I remember WM as a young child, and growing up. Proud of his achievements, may be long overdue but THANK YOU for your Service. Your struggles are over, no longer lonesome for your parents as they are already holding you in their loving arms again. Safe journeys.

Love my little brother Hum Hum! Shock to hear you leave us. Your smile lite up the room. Many school memories I will cherish, even the all night calls when you were at sea or over seas for your details. I'm sadden and hurt for you leaving, but I know your in a better place with the Creator and our loved ones. My hugs and loves to the Moses family.
