“ *We have known Billy since grade school, having known his family for a long time, enjoying get togethers, school activities, sports, just visiting, which included our keds too.  
Life doesn't come with a road map, GPS, doesn't always work. Billy had a road he followed, some of it with bumps, crossroads, but finally he hit smooth asphalt.  
May his love of all of you, and his great memories help lessen the grief and difficult days ahead that you will have and go through, as we will also.  
Miss him, grieve deeply, then bless the time you enjoyed with Billy in your life.  
Our deepest sympathies,  
Jerry and Carol Johnson  
Marvina and Bryan* ”
