

Winona Zack

July 29, 1960 - April 4, 2023

Winona Maxine Zack, 62 years old, left for her next journey to be with her Lord and Savior. She was born 7/29/60 in Tacoma, WA to Ray and Norma Zack. She comes from a large family with nine sisters and two brothers. Winona had unconditional love for her sons William and Andrew Sr. Zack, and her many grandchildren. She provided a home for her nieces and nephews and helped them graduate from high school. Winona had graduated from Heritage College University.

Winona got her bachelors in business and then her master's in education. Her jobs included director of admissions at heritage, and she was a counselor for Yakima Nation higher education, and a guidance counselor at Standley Smartlowit Tribal School. With each job she poured her heart and soul into success for all her clients and peers.

Winona was a strong supporter at Mckinley Indian mission for over 30 years serving in many different roles. She always greeted people with a smile. She was a strong prayer warrior. Winona was a world traveler. She traveled the world with her mother Norma Zack-Napoleon to several different countries. Always had amazing stories about her travels.

Winona the warrior, she was strong, heartfelt, encouraging, supportive, and admirable. She never picked favorites. She helped no matter what. People all over would come through her door to feel her love, her presents, and her spirit. She has been a mom to many and a supporter to all. She was energetically beautiful and courageous. God, the son, and the holy spirit has

gained a wonderful angel, and incredibly lucky to have her in his choir with her soulful voice. Winona had faith to fill the whole universe. She never doubted the Lord's love. I would say we were all blessed to have Winona in our lives, hearts, and even to have crossed paths. May she rest in peace and sing in the heaven above choir.

“ *This special sister will be missed by many. Her smile, her greetings, her beautiful voice as she sang, and the messages she shared thru prayer.*

The Mission is going to be very lonely, she did so much for the congregation.

To the many that she shared her life with, the best memory is she always carried the family's faith, never let that go.

Safe journey Winona. Many times we witnessed you go about sharing, now you are preparing for eternal rest, there are a big welcoming group waiting!

Prayers and love to children, grandchildren, nephews, nieces, family, and friends.
